

ProQuest Entrepreneurship

...Bridging Theory with Practice

An unprecedented collection of scholarly resources and practical tools for enterprise and innovation including:

- Annual reports
- Articles
- Audio clips
- Blogs
- Business cases
- Business plans
- Dissertations
- e-books
- How-to Guides
- Journals
- Magazines
- Market research
- Video clips

"An essential purchase for business schools supporting MBA programmes, research libraries supporting business and industry-related studies... This will probably be one of your most used, practical research tools. From me, it also gets a wow!"

Cheryl LaGuardia, Research Librarian for the Widener Library, Harvard University, U.S.
